

**Dear Editor . . .**

Billy Graham  
And The Press

Billy Graham is now in Scotland on one of the greatest and most strategic evangelistic crusades every undertaken. "There is every indication," he said, "that we are on the verge of a great spiritual revival in Scotland that could sweep the British Isles."

There are three important things he asks us to do 1) Pray; 2) write our newspaper editor and tell him of our interest and ask him to kindly carry stories. This helps tremendously in Great Britain and Europe. When they know the interest of the American press, it makes the British press that much more interested! 3) send financial help.

You have always been so fine—we know you will do what you can to help in this wonderful work.

Sincerely,  
(signed)  
GLADYS MOOSE,  
Secretary

(Editor's note: Thank you for your interest. There is a limit to the type of news we can carry. All news must be in locally in some way. Where that is the case, we'll do our best to print it.)

**Dandoy, Neathery Sentenced**

Found guilty of assault by force, Ernest G. Dandoy, 23, of 1506 W. 251st st., and Jack H. Neathery, 21, of 1528 W. 222nd st., were sentenced to 10 months in county jail and five years probation.

The two were sentenced in Long Beach superior court.

The two men were arrested in November in connection with an attack on a widowed mother and her escort in the Palos Verdes area.

Victims were Mrs. Marilyn Hitchcock, 27, of 25516 Doble st., Harbor City, and Virgil Robertson, 33, of 2112 Rockefeller Lane, Redondo Beach.

Dandoy and Neathery pleaded innocent to charges of rape and kidnaping but guilty to assault with force likely to produce great bodily injury.

**SCHOOL BRIEFS**

**SCHOOL SITES:** The Torrance Board of Education, upon request of the P-TA Council, has asked the California School Boards association to propose legislation to the State Legislature requiring subdividers and all other builders to contribute a fixed fee per house for the acquisition of school sites or to make sites available free of cost.

**CIVIL DEFENSE:** The Board of Education was informed that there is little consistency and nothing authoritative at present regarding Civil Defense plans. It is hoped that a well-organized program will be proposed from a national, state, county, and city level.

**LAND PURCHASE:** Santa Fe land along Plaza del Amo across the street from the Board of Education and Torrance high school is now in escrow. The 4925 acres are being offered for \$7500 per acre. The land will be used for parking purposes and play area.

**Mom Given Probation**

Mrs. Bernice Remington of 26401 S. Western ave., Lomita, who was found guilty of hurling her 6-week-old baby against a chair, was assigned to the custody of probation officers for two years.

Mrs. Remington appeared before Judge Otto Willett in the South Bay municipal court last Thursday.
